**TRADE LIST**

## **TERMS**

**TERMS:** To those of established credit, our terms are 30 days net. Interest at 6% per annum to be paid after maturity. Cash, security or satisfactory references required from unknown parties. C.O.D. orders must be accompanied by one-fourth cash.

Boxes and bales extra, at cost, except where otherwise noted. We charge for boxes as per following scale.

10 ft., 30 in. x 30 in. ..\$7.50	10 ft., 20 in. x 20 in. ..\$5.50
10 ft., 28 in. x 28 in. .. 7.00	10 ft., 18 in. x 18 in. .. 4.75
10 ft., 26 in. x 26 in. .. 6.75	10 ft., 16 in. x 16 in. .. 4.00
10 ft., 24 in. x 24 in. .. 6.25	10 ft., 14 in. x 14 in. .. 3.50
10 ft., 22 in. x 22 in. .. 6.00	

Larger or smaller boxes charged for in proportion to prices named above.

Bales will be charged for at actual cost of material only. No extra charge is made for the expense of packing in either boxes, bales or cars, or for delivery to transportation companies.

## **CONDITIONS OF SALE**

**NOTICE.** We absorb every effort possible to limit the distribution of trade prices to those we know are in the trade and entitled to receive them. Therefore when asking for trade prices, you are requested to use printed stationery, or enclose a business card. Prices named in this list are for nurserymen, florists and dealers only.

**CLAIMS:** All claims for stock received not as represented should be reported promptly. We cannot entertain claims made after stock has been accepted in good faith, or when a report is not made in some form within a period of 15 days after arrival of stock.

Our nurseries are free from injurious diseases and insects. A clean certificate of inspection accompanies each shipment.

Your order, if intrusted to our care, will at all times receive best possible attention.

**LIABILITY:** If any nursery stock sold by us proves to be untrue to variety name under which it is sold, we hold ourselves in readiness upon proper proof to replace such nursery stock that may prove untrue to name, or refund the original amount paid; and it is agreed and understood that we shall not in any case be liable for any sum greater than the amount originally received by us for said nursery stock.

**CARLOADS:** We have our own private railroad siding, and are equipped to load and forward carlot orders to all points.

Our standards of grading plants are based on the horticultural standards adopted by the American Association of Nurserymen, June 1923.

Should any article be desired B&B, which is not so marked in the price list, the charge will be based upon the following scale: 8 to 10 ft. \$2.75; 1¼ to 1½ in. cal., \$3.00; 1½ to 1¾ in. cal., \$3.50 1¾ to 2 in. cal., \$4.00; 2 to 2½ in. cal., \$6.75; 2½ to 3 in. cal., \$10.00

Partial view of a block of 2-year Apple trees, growing in our nurseries.

## Fruit Trees

First class, well grown; inspected by Dr. J. K. Shaw, Research Professor of Pomology of the Massachusetts State College, and his associates, for true-ness to name.

### APPLE TREES

Partial view of one of our Strawberry plant fields. We have to offer our customers this fall and next spring 175 acres of Strawberry plants like those illustrated above.

## STRAWBERRY PLANTS

We are facilitated to take care of your Strawberry orders, large or small, making shipments direct to your customers under your tags or direct to you in large lots for re-shipment. We recommend shipping soft succulent plants like Strawberries direct from grower to customers. When handling orders in this manner plants are received by the customer in good fresh condition for planting. We are furnishing plants in this manner for several of the larger catalog houses throughout the country. Let us figure with you on your Strawberry plant requirements.

2 $\frac{1}{2}$ to 3 in. cal. ....	75.00		

Partial view of one of our blocks of well grown  
Biota Aurea Nana.

## Evergreens

Evergreen prices named are for strictly first-class stock which has been transplanted one or more times, also sheared two or more times, and this stock should not be compared with many on the market which have not been properly grown. If there is anything which shows a difference in quality by lack of transplanting and shearing, it is Evergreens.

	10	100
<b>ABIES concolor</b>		White Fir
18 to 24 in. B&B .....	\$20.00
